

Jewellery

From the Stones2Gems Studio

By Nancy McHone

Here is a catalog of selected examples of custom designed and handmade jewellery, featuring silver, semi-precious stones, art glass, and other natural materials. All were made in our own studio on Grand Manan, New Brunswick, Canada, using materials from many places.

These examples were inventory when listed on 29 January 2009, but they are subject to sale at any time, so please contact us if you wish a purchase so we can confirm that it is available. Also feel free to ask any questions.

Purchases can be made via PayPal or by postal money order (American or Canadian). Prices are in Canadian dollars. Shipping charges will be for the actual postage. Please contact us for an invoice of total cost, which can be calculated in either Canadian or American currency, as you wish. Email us at stones2gems@earth2geologists.net
